

Filter Conversion Guide for 3M™ Secure Click™ Half Mask Reusable Respirator HF-800 Series.

Designed with smart and intuitive features, the 3M Secure Click Half Mask Reusable Respirator helps protect workers from particulates and a wide variety of gases and vapours when used with approved 3M Secure Click filters and cartridges shown below.

Note: initial filter offering shown (more to follow in later launches)

If you are currently using a 3M respirator with a bayonet connection, this guide will offer conversion suggestions to help you transition to 3M Secure Click.
